WHERE IS HEALDSBURG?

Located just 67 miles north of the Golden Gate Bridge, Healdsburg is nestled between three lush valleys and is surrounded by more than 100 award-winning wineries, an array of hospitality offerings, upscale boutiques, chic restaurants, art galleries, antique shops, local micro farms and more. An ideal year-round destination, popular activities include biking, hiking, boating, canoeing, fishing, golf, and hot air ballooning. Situated in the heart of Sonoma County and within close proximity to California's spectacular Pacific Coast, Napa, Mendocino and the Bay Area, Healdsburg is the ultimate Wine Country destination.
